

# AIRSPACE INTEGRATION WEEK MADRID

## Airspace Integration Week Madrid Awards 2023

**The Airspace Integration Week Madrid 2023 awards submission portal is open.** It's time to prepare your nominations for outstanding achievement in ATM, UTM, STM, and civil-military cooperation.

### **ATM Integration Award**

Recognises new ideas, technologies, and concepts that create the potential to significantly advance performance, operations, or capabilities to develop integration and improvement of traditional airspace management.

### **STM Integration Award**

Recognises new ideas, technologies, and concepts that create the potential to significantly advance performance, operations, or capabilities to integrate space activities with traditional airspace operations.

### **UTM Integration Award**

Recognises new ideas, technologies, and concepts that create the potential to significantly advance performance, operations, or capabilities to integrate and develop UAS and AAM operations with the rest of the airspace users.

### **Civil-military cooperation Award**

Recognises concepts, initiatives, or examples that represent best practices or accomplishments in civil-military cooperation.
